Sir,

ESTABLISHMENT - Temporary - Special staff for the disposal of darkhast cases - Further retention for a period of six months - Report-submitted

--:o:--

Ref:-G.O.Ms.No.2244 Revenue Department, dated 3.8.1953.

--:o:--

In the order cited, the Government have sanctioned the employment and retention of the additional staff for a period of six months from the date of appointment for the disposal of darkhast applications in South Kanara District

(1) Upper Division Clerk	..	1
(2) Lower Division Clerks	..	9
(3) Revenue Inspector's in the grade of L.D.Cs	..	9
(4) Peons to work under the Revenue Inspectors	..	9

I enclose a statement showing the name of office, the dates on which special staff was entertained the date on which the sanction expires and the number of darkhast cases pending disposal in each office. These cases include applications received from all categories of persons including applications for kumki lands.

The statistics furnished would show that the pendency has increased in spite of the appointment of special staff. The increase in the pendency is due to the receipt of large number of applications on account of the relaxation of rules regarding the assignment of lands in compact blocks in favour of landless poor persons. The work is too unwidly to be attended to by the regular staff. For the

3

speedy disposal of applications and reduction of pendency, there is real need for the retention of the special staff for a further period of six months from the date of expiry of the present sanction. I am now getting a large number of proposals for sanction and it is essential that the present special staff should continue. The Government may therefore be addressed to sanction the retention of the special staff mentioned above for a further period of six months from the date of expiry of the present sanction for the disposal of darkhast applications in this district."

Yours faithfully
